The Portage Restaurant, located on Route 11 has been a Miramichi landmark since it opened almost forty years ago, on September 4, 1969.

The restaurant opened with fifteen employees, and was open from 7:00 a.m. until 2:00a.m. seven days a week; those hours of operation remained for almost fifteen years.

When the bars and night clubs began staying open until 2:00 a.m., the Portage began closing earlier so the staff would not have to work into the wee hours of the morning.

The restaurant closed at midnight to serve the people who were travelling through the area, as unlike today, there were not a lot of places along Route 11 to stop.

Motor coach tours and other tourists make up a large portion of the summer business. The local business men and women, families, volunteer groups and organizations help keep the restaurant going year round.

The menu has not changed much in the past few decades as the Portage continues to offer always popular, home-cooked meals. All soups are homemade and turkey and beef are roasted on site.

**The Portage opens every day at 6:00 a.m. and during the summer, closes at 9:00 p.m. Monday and Tuesday; 10:00 p.m. Wednesday – Saturday; and at 9:00 p.m. on Sunday.**
